

ONAC Networking Luncheons: Grow your Business - Connect to the Community

Sponsorship Request for the Oregon Native American Chamber's Networking Luncheons 2018

We know that many of our members join ONAC as a way to grow their business and connect to the community. Our networking events provide a unique opportunity to meet, network, and build relationships with business and community leaders (Native and non-native) from across Oregon and SW Washington. Each luncheon brings together Native owned businesses, tribal representatives, corporate partners, city, county, and state & federal government agencies and community leaders to participate in the ONAC Native American business community.

ONAC's work has been guided by the belief that Native businesses are a foundation for emerging Native economies that would provide employment and educational opportunities and allow our Native communities the opportunity to break the generational cycles of poverty. Today we carry that belief forward and continue to work toward a brighter future with a thriving and connected Native American community that empowers its business leaders with resources, partnerships, and services that ensure their success and supports the educational aspirations of community members.

Each year ONAC leverages the financial and in-kind support of small businesses, nonprofit organizations, corporate partners, members, and individuals to host our Networking Luncheons. We would not be able to host these events without the ongoing support of our partners and sponsors that help advance ONAC's mission.

We are requesting your help in making a difference by considering a sponsorship of our exciting, social and cultural events

Our vision: Oregon and Southwest Washington will have a thriving and connected Native American community that empowers its business leaders with resources, partnerships, and services that ensure their success and supports the educational aspirations of community members.

If you have any questions or require additional information, please feel free to contact me at your convenience by phone (503.894.4525) or email (support@onacc.org). You can also reach out to any of our board members in the community.

Thank you for your continuous support & interest in our Native community,

Eddie Sherman
ONAC Board President

Sponsor Today!

It's an excellent opportunity to showcase your business/organization/agency, promote your products and services, and find that next business partner or unexpected supplier for your business needs. The luncheon features a segment dedicated to networking as well as facilitated speakers and/or panels during lunch.

- Meet MWESB businesses
- Connect with Native American Businesses and Exposure to Native American Culture
- Business Oriented Face-To-Face Lunch Meetings with Over Thirty Different Members
- Make Real Connections that Can Lead to Real Business Relationships
- Enjoy Great Food From Local Small Business Caterers
- And Enjoy Great Conversation With Community Leaders and Agency Partners!
